

Disclaimer and waiver

Las ciclistas 13.09.2025

I hereby expressly and irrevocably declare to all partners and the organiser Pro Velo Graubünden, based in Chur, that I am responsible for my own safety and agree to bear all risks and dangers arising from my participation in las ciclistas, the tours and the Veloparade. I release the partners and the organiser from all liability claims, including all claims that I or my heirs or other entitled third parties could assert due to injury, damage or death.

I am aware and agree that I am solely responsible for my personal belongings during las ciclistas and the associated activities. I have taken note that the organisers and partners of las ciclistas and the associated authorities accept no liability for personal injury, damage to property or financial loss.

As a participant in las ciclistas, I undertake to comply with the organiser's regulations and agree to the following points:

1. I am aware that mountain biking, gravel biking, e-biking, road and trekking biking are sports that involve risks. I declare that I participate in las ciclistas exclusively at my own risk and bear sole responsibility for my health and my personal possessions.
2. The tours are neither secured nor monitored by marshals and are not closed to public or private traffic. The general traffic regulations apply.
3. I am insured with an insurance company authorised in Switzerland for legal liability for personal injury and property damage and in an amount appropriate for such an event.
4. I expressly agree that I will receive medical treatment during my stay if this should become necessary in the event of injury due to an accident and/or illness during the course of my visit. I hereby also confirm that I have adequate health and accident insurance.
5. The organiser reserves the right to make changes, interrupt or cancel the event due to force majeure or official requirements. No claims whatsoever can be asserted.
6. I hereby authorise that pictures of me may be used free of charge and without restriction in the context of reports and the promotion of future events, insofar as this is done in connection with las ciclistas.

By participating in las ciclistas, I confirm that I have recognised these risks and voluntarily accept them and release the organiser and the partners from any liability claims in this regard. Finally, I declare that I have carefully read this waiver in detail and expressly agree with its contents. Any disputes in connection with las ciclistas shall be subject to the jurisdiction of the courts of Chur and Swiss law.
